

- Education & Scholarships-
- 1. **Women In Science and Engineering-Societal Challenges with Opportunities Fellowship**
Link - <https://www.myscheme.gov.in/schemes/wise-scope-fellowship>

Details

The “Women In Science and Engineering-Societal Challenges with Opportunities (WISE-SCOPE) Fellowship” Program was started by the Department of Science & Technology, Government of India to provide opportunities to Women Scientists and Technologists who have completed Ph.D. and want to utilize their Science & Technology knowledge and expertise for the benefit of society. This program promotes projects that directly deal with challenges at the grassroots level and address them through Science & Technology interventions. Projects under WISE-SCOPE (WISE-Societal Challenges with Opportunities) should provide Science & Technology solutions to our social problems, livelihood generation, drudgery reduction, health and nutrition-related issues, management of natural resources, sustainable agriculture, climate change, disaster management, etc.

The project proposal should include the development of viable technology/technique with the possibility of lab-to-land transfer, adaptation and scaling up for the benefit of society under the following identified broad thematic areas.

1. Energy, Water and Waste Management (EWWM)
2. Engineering and Technology Development (ETD)
3. Environment, Climate and Sustainable Development (ECSD)
4. Agriculture and Allied Sciences (AAS)
5. Health, Food, and Nutrition (HFN)

Project Tenure:

The project tenure shall be up to 3 years.

Benefits

- **Monthly Fellowship:** Eligible candidates will receive a fellowship amount of ₹55,000/- per month along with HRA as per norms.

- **Research Grant:** Selected fellows will be provided a research grant of ₹2.00 Lakhs per year for project-related activities.
- **Field Demonstration Support:** Financial assistance of ₹1,00,000/- will be provided for field demonstration during the project tenure.
- **Equipment Assistance:** Support for the purchase of small equipment up to a maximum of ₹2,00,000/- will be provided.
- **Institutional Overhead Charges:** Institutional overhead charges will be given as per DST norms.

Eligibility

Employment:

- Candidates in regular employment are not eligible for WISE-SCOPE.

Note 01: The women scientists who are temporarily employed in research or academics may apply to this program but they have to leave earlier assignments, if, selected for the WISE-SCOPE program.

Note 02: The position of the applicant in any project, as Post-Doctoral Fellow, Research Associate, etc. will be considered a temporary assignment.

Age:

- The minimum age to apply is 27 years and the maximum is 60 years as of the date of submission.

Educational Qualification:

- Women Scientists who have completed a Ph.D. in Basic or Applied Sciences or have equivalent degrees like MD/MS/MDS are eligible for the WISE-SCOPE fellowship.

Application Process

Online

Step 1: The call is open for proposal submission under WISE-SCOPE at ePMS (<https://onlinedst.gov.in>).

Step 2: The proposal format is available at <https://dst.gov.in>, <https://onlinedst.gov.in>.

Step 3: Log on to <https://onlinedst.gov.in/> to access the home page of the “DST e-PMS Portal”.

Step 4: Click on “New PI Registration” and fill in the requisite details for New user registration. In the ‘Personal Information’ section, fill in- department, Institute, and Institute Address as per the Host Institute identified for the WISE-SCOPE Fellowship project. Fill in the Designation as ‘WISE-SCOPE Fellow’.

Step 5: After logging in, click on the “Submit proposals” link, which will take you to a page seeking information like – General information, Principal Investigator, Mentor detail, Suggested Referees (Those who are working and also experts in the proposed area), Financial Details, PFMS Details, Ongoing Project Details (if any), Programme details, then finally Submission. Fill in all the information sought against each menu, as applicable.

Step 6: Project detail under the Programme detail menu would require information about the category of the project. Please carefully choose the category of the project based on the objective and expected outcome of the proposed work. Need to mention the specific challenge of the society which is being addressed by this scientific proposal and also the target beneficiary which would be affected by its outcome.

Step 7: In the ‘Financial Details’ section, enter the ‘WISE-SCOPE Fellow’ in the description in each year of the fellowship section of the recurring budget section. The amount for each year is calculated based on ₹6,60,000/- per year (@₹55,000/- per month). If claiming for HRA, fill in the amount based on the applicable rate @ 9/ 18/ 27 % (as per GOI norms for X, Y and Z class of city) of the fellowship amount. Research grant is @ ₹2,00,000/- per year. In case of field testing, demonstration, or knowledge dissemination of the technology the max. limit of @ ₹1,00,000/- is allocated. Overhead would be as per norms. Non-recurring grant is up to max. ₹2,00,000/- for small equipment. In case of a request for more than one small equipment within the maximum limit, please fill names of each equipment with its cost in the desired year. Quotation of each equipment would require to be uploaded as a supporting document. Justification of all requirements (especially research grants, equipment etc.) should properly be filled.

Step 8: If you have the PFMS Unique Agency Code of the Host Institute, fill it in the 'PFMS Details'; else, leave this section. It will be required later during the project amount release process, therefore keep this information ready later on accordingly, if not available now.

Step 9: After filling in all the above particulars, preview all given details before the final submission of the application form by clicking on the "Preview" button. The preview page will display all the facts/ particulars that you have mentioned. If there is something that you wish to update, go back and correct the information or else proceed with the filled details by clicking on the "Submit" button to finally push data into the server.

Step 10: Candidates are advised to carefully fill and verify the details filled in the online application themselves as no change will be possible/ entertained after clicking the FINAL SUBMIT BUTTON.

Note 01: It is mandatory to submit the proposals only through online mode. There is no need to submit the hard copy of the proposal at the DST. Proposal submitted through e-mail will not be entertained

Note 02: The PI is required to see the completeness of the application before it is finally submitted. The PI shall keep a copy of the submitted proposal for their reference.

Note 03: In case more than one proposal is found submitted by the same PI, the last submitted proposal would be considered for evaluation.

Note 04: Incomplete or wrongly filled-up application format or application with a lack of essential information/ documents will be summarily rejected.

Note 05: Application format is available at the online portal (<https://onlinedst.gov.in/>) given on the website (<https://dst.gov.in/>). Submission of proposals other than in the prescribed format shall summarily be rejected without any further processing as per programme norms.

Last Date for Receipt of Application:

- The online Application portal is open throughout the year for proposal submission.
- For any enquiry, please contact enquiry-wosdst@gov.in

Documents Required

1. CV of Mentor
2. Conflict of Interest Policy Document
3. Endorsement from the Head of the Institute
4. Complete Project Proposal
5. Highest Degree Certificate
6. Consent Letter from Mentor
7. Undertaking
8. HRA declaration certificate
9. Date of Birth Proof

2. Women Scientist Scheme-A

Link - <https://www.myscheme.gov.in/schemes/wos-a>

Details

A Research Grant by MoST for female candidates to pursue research in frontier areas of science and engineering, preferably those having a break in career (minimum two years) and not having regular employment, to explore possibility of re-entry into the profession. This scheme will provide a research grant for a well-defined project proposal for a period of maximum three years. This grant will cover the fellowship of the applicant and cost of small equipment, contingencies, travel, consumables, etc. Institutional overhead charges will be extra.

The support is available in 5 disciplines under WOS-A namely, i) Physical & Mathematical Sciences (PMS), ii) Chemical Sciences (CS), iii) Life Sciences (LS), iv) Earth & Atmospheric Sciences (EAS), and v) Engineering Technology (ET).

The scheme plays pivotal role in gender mainstreaming as it not only prevents brain drain from S&T system but also train and retain women in the system. The scheme initially offers opportunity to work as bench-level

scientists and ultimately open new avenues for permanent position in Science & Technology.

Benefits

1. ₹ 55,000/- pm (and HRA as applicable) for Ph.D. or equivalent (total project cost not exceeding ₹ 30 lakh)
2. ₹ 40,000/- pm (and HRA as applicable) for M.Phil./MTech or equivalent (total project cost not exceeding ₹ 25 lakh)
3. ₹ 31,000/- pm (and HRA as applicable) for M.Sc. or equivalent (total project cost not exceeding ₹ 20 lakh)

This grant will cover the fellowship of the applicant and cost of small equipments, contingencies, travel, consumables, etc.

The benefits are provided for a period of maximum three years.

The payment of the scholarship will be through DBT.

Eligibility

1. The applicant must be a FEMALE.
2. The applicant must either be unemployed or in a position other than regular/permanent position.
3. The age of the applicant must be between 27 and 57 years (5 year relaxation for SC/ST/OBC and physically challenged candidates)
4. The applicant must hold either of the following Minimum essential qualification -
 - Minimum Post Graduate degree, equivalent to M.Sc. in Basic or Applied Sciences or B.Tech. or MBBS or other equivalent professional qualifications.
 - M.Phil/M.Tech/M.Pharm/M.VSc or equivalent qualifications.
 - Ph.D. in Basic or Applied Sciences.

Exclusions

Women in permanent position are not eligible to apply.

Application Process

Online

Step 1: Register at the online portal <https://online-wosa.gov.in/wosa/> using your active email ID. An auto-generated email will be received with ID and a link to create a password.

Step 2: After logging in to the WOS-A portal, fill and submit full Project Proposal under WOS-A. The Project Proposal Document (PPD) includes online submission and uploading the required documents in the said formats.

Step 3: Before submission, preview your full proposal to make sure that everything is correct and in order. You will not be allowed to edit the contents after submission.

Step 4: You need to click on "Final Submit" button for final submission of the proposal. Your proposal will remain save with your login ID and it may be saved in system and also can be printed.

There is no need to submit hard copy of proposal to DST.

Documents Required

1. Project Proposal Document (**Refer source for Format**)
2. Biodata of PI (Signed) (**Refer source for Format**)
3. Mentor's Biodata (Signed)
4. Caste Certificate (If SC/ST/OBC/PH)
5. DOB certificate (10th class passed only)
6. Photograph of PI
7. Signature of PI
8. Highest Degree
9. House Rent Allowance (if Eligible) (**Refer source for Format**)

3. Women Scientist Scheme-B

Link - <https://www.indiascienceandtechnology.gov.in/programme-schemes/women-schemes/women-scientist-scheme-b-wos-b>

4. Women Scientist Scheme-B (WOS-B) focuses on projects related to Science & Technology (S&T) interventions for societal benefit. Such project proposal should address a well-identified societal challenge and deliver possible solution(s) by way of development of viable technology/technique and/or lab-to-land technology transfer, its adaptation and scaling up.

5. **Programme Type:** Women Schemes

6. **Ministry / Department:** Department of Science & Technology (DST), Govt of India

7. **Focus Area:** Science & Technology (S&T) interventions for societal benefit

8. **Intended Applicants:** Women Scientist

9. **Funding Agency:** Department of Science & Technology (DST), Govt. of India

10. **Eligibility:** Women having qualification in Science and Technology area and in the age group of 27 to 57 years

11. **Duration:** 3 Years

12. **Application Method:** Online

13. **Fellowship / Financial Assistance:** 1. Rs 55,000/- pm for Ph.D. or equivalent (total project cost not exceeding Rs.30 lakh) 2. Rs 40,000/- pm for M.Phil./MTech or equivalent (total project cost not exceeding Rs.25 lakh) 3. Rs 31,000/- pm for M.Sc. or equivalent (total project cost not exceeding Rs.20 lakh)

4. Women Scientist Scheme-C

5. **Internship Programme for Women Students / Scholars / Social Activists / Teachers**

Link - <https://www.myscheme.gov.in/schemes/ipmwcd>

Details

The Ministry of Women and Child Development launched the Internship Programme aims to tap the talent of the interns, giving them an opportunity to work for infusing further efficiency in implementation of schemes as also deliberate on its policies through different assignments. The Internship Programme would provide a common platform for meaningful interaction and space for research related to Government programs/initiatives. This Programme is expected to yield promptness in bridging possible information gaps pertaining to issues and problems of women and children in the country.

The objective of the 'Internship Programme' is to translate the Hon'ble PM's idea of "SABKA SATH, SABKA VIKAS, SABKA VISHWAAS, SABKA PRAYAS" for building a self-reliant India.

Benefits

- **Stipend:** ₹20,000 per month provided as a lump sum amount.
- **Duration:** The duration of the Internship Programme will be 2 months throughout the year. Interns can select any of the 2-month batches while submitting their applications
- **Travel Reimbursement (Joining & Return):** Travel cost reimbursed by Deluxe/AC Bus or 3 Tier AC Train for joining and returning after completion.
- **Travel & DA During Programme:** Travel expenses and Dearness Allowance (DA) reimbursed for official tours as per Government of India rates.
- **Certification:** Certificate awarded upon successful completion, subject to submission/presentation of reports or papers.
- **Hostel Facility:** Shared hostel accommodation provided in Delhi during the internship period.
- **Hostel Amenities:** Basic facilities include triple sharing room, attached bathroom, bed (without mattress), table, chair, and cupboard.
- **Hostel Duration:** Available from 2 days before the start to 2 days after completion of the programme.
- **Logistic Support:** Includes seating arrangement, internet facility, and stationery items in the Ministry.
- **Internship Coordinator:** Dedicated coordinator assigned for overall guidance, coordination, and communication.

Note: Mess charges are not included as part of the accommodation and are to be borne by the intern availing the hostel facility

Eligibility

- The women students, scholars, social activists and teachers from non-tier-I cities and rural parts of India will be eligible for the programme.
- The women students, scholars, social activists, teachers (herein after referred to as interns) need to be enrolled in/associated with any university/academic/non-academic institution.
- The age of the applicant should be between 21 to 40 years.

Number of Interns:

- The ministry would take up to 20 interns per batch.

Exclusions

- List of Tier-I cities Tier 1 cities include Ahmedabad, Bengaluru, Chennai, Delhi, Hyderabad, Kolkata, Mumbai and Pune. Candidates who belong to Tier-I cities are not eligible to apply for internship.

Application Process

Online

Registration:

Step 1: Applicants have to visit the [official portal](#).

Step 2: Click on the [Register](#) button, from the top menu.

Step 3: Provide the required details below.

- Name
- Date of Birth
- Gender
- State
- District
- City
- E-Mail
- Mobile No
- Password and Confirm Password with Captcha Code.

Step 4: Click on Register.

Fill Application Form:

Step 1: Applicants have to visit the [official portal](#).

Step 2: Click on the Login button from the top menu.

Step 3: Use the email address and password used at the time of registration for logging in.

Step 4: Applicants are required to upload the latest passport-sized photograph by updating profile.

Step 5: Fill out the application form and submit.

Documents Required

1. Candidate's Photograph.
2. ID Proof.
3. Address Proof.
4. Signature.
5. Highest Education Certificate/Degree.
6. Joining Letter of the Organization(For Teachers/Social Activist).
7. Admission Certificate/Joining Letter of the Institution in which Currently Enrolled/Working.

Pragati Scholarship Scheme For Girl Students (Technical Diploma)

Benefits

₹ 50,000/- per annum for every year of study, i.e. maximum 3 years for first-year admitted students and maximum 2 years for second-year admitted students, through lateral entry as lump sum amount towards payment of college fee, purchase of computer, stationeries, books, equipment, software, etc. No other additional grant will be payable instead of hostel charges medical charges, etc

Eligibility

1. The applicant must be a **Girl Student**.
2. The applicant must be pursuing either the **First year of the Diploma course OR the Second year of the Diploma course through lateral entry**.
3. The **annual income of the family** (from all sources) must not be more than **₹ 8,00,000 per annum** during the current financial year.
4. **All eligible girls** (who submit an online scholarship form) **from the following 13 Union Territories and North Eastern States** i.e., Andaman and Nicobar Islands (UT), Jammu and Kashmir (UT), Ladakh (UT), Dadra and Nagar Haveli & Daman and Diu (UT), Lakshadweep (UT),

Arunachal Pradesh, Assam, Manipur, Meghalaya, Mizoram, Nagaland, Sikkim, & Tripura will be given a scholarship by AICTE.

Exclusions

1. If a candidate failed/drops out in a subsequent year, she will not be eligible for further scholarship.
2. If it is found that the student is in receipt of financial assistance in the shape of scholarship/any emoluments, salary, stipend, etc. from any other source during her course of study in the institute, the scholarship shall be discontinued.
3. If the gap period between the year of passing the qualifying examination and the admission session in a degree course is more than two years.
4. The scholarship is only applicable to a maximum of two girl children of a family.

Application Process

Online

New Registration:

Step 1: Visit the [Registration](#) page of the National Scholarships Portal.

Step 2: Guidelines for Registration will appear. Scroll to the bottom. Read carefully the undertaking. Accept the Terms. Click “Continue”.

Step 3: A Registration Form will appear. (The fields marked as * are compulsory). Fill in the details and click “Register”. Your Application ID and password will be displayed. The same will also be sent as an SMS to your registered mobile number.

Fresh Application:

Step 1: Visit the applicant [Login](#) page of the National Scholarships Portal. Enter your Application ID and password.

Step 2: Type the Captcha and click “Login”.

Step 3: On the next screen, provide the OTP received on your registered mobile number. You will be directed to the Password Reset screen. Create a new password and confirm.

Step 4: Click “Submit”. You will be directed to the “Applicant’s Dashboard”.

Step 5: On the left pane, click “Application Form”. The fields marked as * are compulsory. Fill in the details and upload the documents. The verification of credentials of the students (caste, educational qualifications etc.) will be done through the DIGILOCKER facility of the MeitY, Govt. of India.

Step 6: You can either click on “Save as Draft” to complete the application later. Else, click “Final Submit” to apply.

Track Payment Status:

7. CBSE Udaan Scheme

Portal link – www.bajajfinserv.in

CBSE Udaan Scheme empowers girl students in Classes 11 and 12 aiming for STEM careers. Know its features, benefits, eligibility criteria, objective, and how to apply.

Explore a range of savings and investment plans and select one that suits your needs:
[GET QUOTE]

The CBSE Udaan Scheme is an initiative by the Central Board of Secondary Education (CBSE) aimed at promoting education among young women, particularly in the field of science, technology, engineering, and mathematics (STEM). This scholarship scheme supports the education of female students by providing free coaching and preparatory classes for entrance exams like IIT-JEE and NEET, enabling them to pursue their career goals in prestigious institutes. The programme ensures that deserving students from economically weaker backgrounds can compete on an equal footing, fostering gender equality in education.

Overview of CBSE Udaan Scheme

The CBSE Udaan Scheme was launched in 2015 to provide a platform for female students from underprivileged backgrounds to gain access to quality education. The scheme offers free online classes, coaching for competitive exams, and additional support to prepare for exams like IIT-JEE, NEET, and other entrance tests. By focusing on empowering young women, this initiative aims to bridge the gender gap in STEM education. The scheme is a part of the government's broader efforts to encourage more female participation in the nation's growing technological and scientific sectors.

Key features of CBSE Udaan Scheme

The CBSE Udaan Scheme is a special initiative by the Central Board of Secondary Education to support girl students in their academic growth, especially in STEM fields. Here are its key features:

- **Focus on girl students:** The scheme is exclusively for meritorious girl students studying in Class 11 and 12 from Kendriya Vidyalayas, Navodaya Vidyalayas, and government schools.
 - **Free online and offline learning support:** Students get access to recorded lectures, study materials, tutorials, and assessments, all free of cost.
 - **Weekly virtual contact classes:** Regular online sessions are conducted by experienced faculty to help students strengthen concepts in Physics, Chemistry, and Mathematics.
 - **Monitoring and mentoring support:** Academic performance is closely monitored, and students receive one-on-one mentoring when needed.
 - **CBSE certification and recognition:** Students under the CBSE Udaan Scheme are officially certified, which adds credibility to their learning.
-

Objectives of CBSE Udaan Scheme

The CBSE Udaan Scheme and CBSE Udaan Scholarship were launched to promote gender equity and academic excellence. Here are its main objectives:

- Bridge the gender gap in engineering and technical education.
- Provide free academic resources to deserving girl students.
- Encourage more girls to take up STEM subjects.
- Improve the representation of girls in prestigious institutes like IITs and NITs.

Eligibility criteria for CBSE Udaan Scheme

The CBSE Udaan Scheme is specifically designed to help female students who are aspiring to pursue higher education in STEM fields. To apply for the scholarship, candidates need to meet certain criteria:

- **Gender:** Only female students are eligible to apply.
- **Academic qualifications:** Students must have completed class 10 or be currently enrolled in class 11 at a CBSE-affiliated school.
- **Financial background:** Preference is given to students from economically weaker sections.
- **Performance:** Students should have a strong academic background, particularly in subjects like science and mathematics.
- **Parental income:** The scheme is targeted towards students whose families have a low income and are unable to afford costly coaching services.

Key benefits of CBSE Udaan Scheme

The CBSE Udaan Scheme offers a variety of benefits to female students, helping them unlock their potential and reach academic excellence in STEM fields. Some of the key benefits of the scheme include:

- **Free coaching:** The Udaan scheme provides free online classes, study materials, and expert guidance.

- **Increased access to resources:** Students get access to a wide range of learning tools and resources to help them excel in competitive exams.
 - **Holistic development:** The scheme focuses not just on academics but also on building students' confidence and leadership skills.
 - **Specialised training:** Students are provided with preparatory classes for entrance exams like IIT-JEE and NEET.
 - **Equal opportunities:** The scheme aims to bridge the gender gap in education and create equal opportunities for women in STEM fields.
-

How to apply for the CBSE Udaan Scheme?

The application process for the CBSE Udaan Scheme is simple and can be completed online. Here is how you can apply:

- **Step 1:** Visit the official CBSE Udaan Scheme website.
- **Step 2:** Register on the portal by providing details such as your name, school, and academic qualifications.
- **Step 3:** Complete the application form with your personal and academic information.
- **Step 4:** Submit scanned copies of your required documents, including your class 10 or 12 mark sheet and proof of family income.
- **Step 5:** After submission, you will receive a confirmation email and further instructions.
- **Step 6:** Once selected, you will gain access to the free online classes and resources offered under the scheme.

What is the selection process for CBSE Udaan Scheme?

Here's how students are selected for the CBSE Udaan Scheme:

- **Eligibility check:** Applicants must be Indian girl students studying in Class 11 from science stream (PCM) with a strong academic record.
- **Application submission:** Candidates must apply online through the official CBSE portal and provide required academic and personal details.
- **Merit-based selection:** Selection is primarily based on marks obtained in Class 10, especially in Science and Math.
- **School recommendation:** The application must be verified and forwarded by the school principal.
- **Final shortlist:** CBSE finalises a list of selected candidates based on eligibility, merit, and availability of seats.

Documents required to apply for CBSE Udaan Scheme

When applying for the CBSE Udaan Scheme, make sure you keep the following documents ready:

- **Duly filled application form:** Available on the official CBSE website with all mandatory fields completed.

- **Class 10 mark sheet:** To validate academic performance in Science and Math.
- **School verification form:** Certified by the school principal, confirming your enrollment and eligibility.
- **Income certificate:** To prove the annual income is within the scheme's specified limit (if applicable).
- **Identity proof:** Aadhaar card, school ID, or any government-issued ID.
- **Passport-size photographs:** Recent photos for application form and documentation.

Having these documents ready makes the CBSE Udaan Scheme application process smoother.

Other information of CBSE Udaan Scheme

Here are a few more things you should know about the CBSE Udaan Scheme:

- **Only for science stream students (PCM):** Applicants must be studying Physics, Chemistry, and Mathematics in Class 11.
- **No fee for participation:** All academic resources and sessions are completely free for selected students.
- **Mentoring sessions by experts:** Students receive guidance from IIT alumni and other reputed educators.
- **Assessment and progress tracking:** Regular tests and assignments are conducted to monitor progress.
- **Recognition and certificates:** On successful completion, students get certified by CBSE.
- **Limited seats available:** Selection is competitive, and only a fixed number of students are chosen each year.

This additional information ensures students and parents fully understand how the CBSE Udaan Scheme works.

What is the application fee for CBSE Udaan Scheme?

The CBSE Udaan Scheme is designed to be accessible for all eligible girl students, and that reflects in its cost structure:

- **No application fee:** Students do not need to pay any fee to apply for the scheme.
- **Zero cost learning materials:** All textbooks, study guides, and digital learning content are provided for free.
- **No exam or subscription charges:** Weekly tests, mentoring, and assessments are part of the scheme and come at no extra cost.
- **Government-funded program:** The scheme is fully funded by CBSE under the Ministry of Education to uplift girl students in STEM.
- **No financial burden on families:** The scheme ensures deserving students can access quality coaching without worrying about expenses.

6.Pradhan Mantri Matru Vandana Yojana

Apply link-

<https://wcd.delhi.gov.in/wcd/pradhan-mantri-matru-vandana-yojana-pmmvy>

The Government of India is implementing the Pradhan Mantri Matru Vandana Yojana (PMMVY) with effect from 1st January 2017. The PMMVY Scheme is being implemented as per provisions under Section 4 of the National Food Security Act (NFSA), 2013 which provides for financial support for pregnant and lactating mothers is to improve the health and nutrition for mother and child as well as compensation for wage loss, if any.

The Objectives of the PMMVY

To provide cash incentive for partial compensation for the wage loss so that the woman can take adequate rest before and after delivery of the first child;

To improve health seeking behavioral amongst the Pregnant Women & Lactating Mothers (PW&LM).

To promote positive behavioral change towards girl child by providing additional cash incentive for the second child, if that is a girl child.

The criteria for determining socially and economically disadvantaged sections of society will be the following:

1. Women belonging to scheduled castes and scheduled tribes;
2. Women who are partially (40%) or fully disabled (Divyang Jan)
3. Women holder of BPL ration Card
4. Women Beneficiaries under Pradhan Mantri Jan Aarogya Yojana (PMJAY) under Ayushman Bharat.
5. Women holding E-shram card
6. Women farmers who are beneficiaries under Kishan Samman Nidhi
7. Women holding MGNREGA Job Card
8. Women whose net family income is less than Rs. 8 Lakh per annum
9. Pregnant and Lactating AWWs/ AWHs/ ASHAs
10. Any other category as may be prescribed by the Central Government

Further, all pregnant women and lactating mothers in regular employment with the central Government or State Government or public Sector Undertaking or those who are in receipt of similar benefits under any law for the time being in force shall not be entitled to benefits under PMMVY.

The benefit is available to a woman for the first two living children provided the second child is a girl. **In case of the first child the amount of ₹5000 in two instalments and for the second child, the benefit of ₹6000 will be provided subject to second child is a girl child in one instalment after the birth.** However, for availing benefits for second child, registration during the pregnancy shall be mandatory. This would contribute to improve the Sex Ratio at Birth and to prevent female foeticide.

Benefits can be availed only on the basis of the Aadhaar Number of Beneficiary so as to avoid any duplication or malpractices.

Cash incentives in two instalments as per the schedule provided in table below:

First Instalment	On registration of pregnancy and at least one Ante-natal check-up within 6 months from LMP date at the Anganwadi Centre (AWC)/ approved Health facilities may be identified by the respective administering t
------------------	---

Second Instalment	Child Birth is registered
	Child has received first cycle of BCG, OPV,DPT and Hepatitis-B or its equivalent/substitute

In case of miscarriage/still birth, the beneficiary would be treated as fresh beneficiary in event of any future pregnancy.

Registration under the Scheme:

1. The eligible women desirous of availing maternity benefits are required to register under the scheme at the Anganwadi Centre (AWC).
2. For registration, the beneficiary shall submit the prescribed application Form 1-A, complete in all respects, along with the relevant documents and undertaking/consent duly signed by her at the AWC. While submitting the form, the beneficiary will be required to submit her Aadhaar details with her written consent, her/husband/family member"s Mobile Number and her Bank/Post Office account details.
3. The prescribed form(s) can be obtained from the AWC. The form(s) can also be downloaded from the website of Ministry of Women and Child Development (<http://wcd.nic.in>) and submit the same at Aanganwadi Centre.

7. Swadhar Greh Scheme

Portal link – <https://www.pib.gov.in>

The Ministry of Women and Child Development implements the Swadhar Greh Scheme. This scheme helps women victims facing difficult circumstances who need institutional support for rehabilitation and lead their lives with dignity. This scheme is called the Shelter Homes for Women (SHW) scheme.

The Swadhar Greh Scheme envisages providing women with food, shelter, counselling, clothing, training, legal aid, clinical aid, health, and economic and social security. It also ensures that the special needs of women are adequately

taken care of, and they are not left unattended or abandoned under any circumstances leading to their desolation and exploitation.

The government merged the Swadhar Greh Scheme and the Ujjawala Scheme from 2021-22. It is now known as 'Shakti Sadan' - Integrated Relief and Rehabilitation Home under the Samarthya component of Mission Shakti.

Swadhar Greh Scheme Objectives

Under this scheme, a 'Swadhar Greh' will be set up in each district with a capacity of 30 women. More than one 'Swadhar Greh' can be set up in big cities, districts with more than 40 lakh population and districts needing additional support for women. The 'Swadhar Greh' capacity can be expanded up to 50-100 based on the need assessment and other necessary parameters. The following are the objectives of the Swadhar Greh scheme:

- To cater to the primary need of food, shelter, medical treatment, clothing and care of women without economic and social support and in distress.
- To enable women to regain emotional strength that is hampered due to their encounters with difficult or unfortunate circumstances.
- To provide women with guidance and legal aid to take steps for readjustment in society/family.
- To rehabilitate women emotionally and economically.
- To act as a support system that meets and understands the various requirements of women.
- To enable women to start their lives afresh with conviction and dignity.

Strategies of the Swadhar Greh Scheme

The following strategies are adopted under the Swadhar Greh Scheme to pursue and achieve its objectives:

- Establishment of temporary residential accommodation with the provision of clothing, food, medical facilities, etc.

- Vocational and skill-up training for economic rehabilitation of women.
- Awareness generation, counselling and behavioural training.
- Guidance and legal aid.
- Counselling through telephone.

Swadhar Greh Scheme Eligibility

Women aged above 18 years belonging to the below categories can stay in the Swadhar Greh:

- Deserted women without any economic and social support.
- Women survivors of natural disasters who are homeless and without economic and social support.
- Women prisoners released from jail without family, economic and social support.
- Women victims of family tension, domestic violence or discord, who have left their homes without special protection from exploitation or means of subsistence or facing litigation for marital disputes.
- Trafficked women or rescued women run away from brothels or other places where they face exploitation and do not have economic or social support. However, they must seek assistance under the Ujjawala Scheme if it operates in that area.
- Women affected by AIDS/HIV not having economic or social support. However, they must seek assistance under the Ujjawala Scheme if it operates in that area.

Women affected by domestic violence can stay up to one year in the Swadhar Greh. Other categories of women can stay for a maximum period of three years. Women above 55 years can be accommodated in the Swadhar Greh for a maximum of five years, after which they need to shift to old age homes.

Children accompanying women of all categories can avail of the Swadhar Greh facilities. Girls up to 18 years and boys up to eight years are allowed to stay in the Swadhar Greh with their mothers. Boys above eight years will be shifted to the

Children's Homes run under the Integrated Child Protection Scheme (ICPS) or Juvenile Justice (Care and Protection of Children) Act.

Components of the Swadhar Greh Scheme

- Construction grants for building construction will be permissible to Municipal Corporations, State Governments, Panchayati Raj Institutions and Cantonment Boards. The implementing agency will provide land free of cost to construct the building.
- Rent for the Swadhar Greh, if set up in a rented building.
- Assistance for non-recurring and recurring expenditures for the management of the Swadhar Greh.
- Provision for shelter, food, medical care, clothing, and pocket expenses for children and residents.
- Provision of legal aid, counselling, guidance and vocational training.

Swadhar Greh Scheme Implementing Agencies

- State Government agencies, including Women Development Corporations.
- Municipal bodies.
- State or Central autonomous bodies.
- Panchayati Raj Institutions and Cooperative institutions.
- Cantonment boards.
- Social Welfare of the State Governments or Departments of Women and Child Development.
- Public trusts registered under the law.
- Civil society organisations such as NGOs have a track record of working in social welfare, women's welfare or women's education. However, it should be registered under the Indian Societies Registration Act, 1860 or another relevant State Act.

Implementation of the Swadhar Greh Scheme

The cost-sharing ratio between the centre and state government is 60:40 for implementing this scheme. In the case of Uttarakhand, Himachal Pradesh, North Eastern States and Jammu and Kashmir, the cost-sharing ratio between the centre and state is 90:10. In the case of UTs, the Central Government provides 100% assistance.

After a woman victim arrives at the Swadhar Greh, she will be provided food, shelter and other basic amenities. A counsellor will prepare the case study with details of the nature of the victimhood of a woman to prescribe the rehabilitative services she requires. Her personal details will be registered, and she will be given a photo ID card. A medical check-up is arranged within three days of her admission.

Karnataka

Udyogini Scheme

- Entrepreneurship
- Loan
- Social Welfare
- Citizen Empowerment
- Women
- Subsidy

Details

Started in the year 1997-1998 (and amended in the year 2004-2005), Udyogini is an innovative scheme sanctioned by the Government of Karnataka to assist women in gaining self-reliance and economic independence through self-employment, mainly through trade and the service sector. It also provides for a subsidy on loans from the Karnataka State Women's Development Corporations for undertaking business activities/ micro enterprises through banks and other financial institutions.

Loans are disbursed through financial institutions like commercial banks, district cooperative banks, and Regional Rural Banks (RRBs).

In absence of a structured credit system, women would take loans from private borrowers and end up paying a high rate of interest. Hence, there was felt a need to have in place formal channels of credit which are accessible to women. Profitable business activities are approved and supported under this scheme. They may be bookbinding and notebooks manufacturing, chalk and crayon manufacture, jam, jelly, pickles manufacture, papad manufacture, saree, and embroidery work, printing and dyeing of clothes, and woolen weaving, amongst others. Udyogini gives adequate opportunities to such women to help them be self-employed.

Benefits

For women belonging to the Scheduled caste and Scheduled tribe, the unit cost is a minimum ₹ 1,00,000 to a maximum of ₹ 3,00,000. The subsidy is 50% of the loan amount, income limit of the family should be below ₹ 2,00,000 per year.

For women belonging to the special category and general category maximum unit cost is ₹ 3,00,000. Subsidy for special category women and for general category women is 30% or a maximum of ₹ 90,000/-. With EDP training for selected beneficiaries.

Eligibility

The applicant should be a woman.

The family income of the applicant should be less than ₹ 1,50,000/- for women belonging to general and special categories. No limit on family income for widowed or disabled women.

The age of the applicant should be between 18 to 55 years for all categories.

The applicant should be a permanent resident of Karnataka.

The applicant should not have defaulted on any past loan with any financial institution.

Reservation / Preference / Priority

Preference must be given to the extremely poor, destitute, widow, and physically challenged.

In addition, preference may be given to candidates who have undergone prior skill development training or vocational training conducted by any KSWDC or any other department.

About 10% of the allocated target has been earmarked to benefit applicants of members of World Bank-assisted Swashakthi or Stree Shakthi groups.

Application Process

- [Online](#)

Step 1: To apply for a business loan, the applicant can visit the nearest bank with all the required documents and fill out an application form to proceed with bank formalities. The application forms

are available in the offices of the Deputy Director/CDPO, and also on the official website of the banks offering loans. Alternatively, it can be downloaded from the website of the corporation www.kswdc.com.

Step 2: The completed application form along with the required documents has to be submitted to the nearest bank / KSFC branch. The bank / KSFC officials will verify the documents and the project proposal and then process the loan application. Banks send a request letter to the Corporation for the release of subsidy, and the bank then releases the loan amount.

Step 3: Once the loan application is approved, the loan amount is disbursed to the applicant's bank account or directly to the supplier's account for the machinery, equipment, or any other capital expenditure.

Documents Required

Three passport-size photographs of the applicant.

Certificate regarding training/experience of the activity under which the loan is sought.

Detailed Project Report (DPR) of the activity for which financial assistance is sought.

Ration Card / Voter ID Card.

Annual Income Certificate of the Family.

Caste Certificate (in case of SC/ST applicants).

Quotations for Machinery, Equipment, and other Capital Expenses

6.Mahila Coir Yojana-

Mahila Coir Yojana (MCY) is the a women oriented self employment programme in the coir industry, which aims to providing self employment to rural women artisans in regions producing coir fibre. The conversion of coir fibre into yarn on motorized ratts in rural households provides scope for large scale employment, improvement in productivity and quality, better working conditions and higher income. The scheme is being implemented by the Government through the Coir Board under its Coir Vikas Yojana.

Coverage of the scheme

The scheme is prevalent in coir producing coastal States such as Kerala, Tamil Nadu, Karnataka, Andhra Pradesh, Telangana, Odisha, Lakshadweep, Maharashtra, Gujarat, Goa, Puducherry, A& N Islands, West Bengal and NE Region.

Eligibility

1. Not more than one artisan per household would be eligible to receive assistance under the scheme.
2. Women artisans need to have successfully completed training programme in spinning of coir yarn through any of the training centers of the Coir Board.

Financial Assistance

The financial assistance for procurement of machines/equipments may be obtained under PMEGP scheme for setting up of new coir units for which the maximum project cost is upto Rs.25 lakhs.

How to apply

To access the application form and complete guidelines, [click here](#).

To get the contact details of Regional and Sub-regional centres of Coir Board, [click here](#).

To apply online, [click here](#).

Source : [Coir Board](#)

Benefit -

Nature of assistance: Coir workers/entrepreneurs will get an awareness of modern technologies developed by the Coir Board. The training programme will help the trainees/ artisans to upgrade their skills in producing coir yarn and other diversified coir products. Management skills can also be acquired by attending EDP programmes to the entrepreneurs to run the Coir units more effectively and efficiently.

Skill Upgradation:

- **Entrepreneurship Promotion:** Encourages individuals to start coir processing units through EDPs, workshops, seminars, and exposure tours.
- **Skill Development Training:** Provides training in value-added coir products, spinning, and other processes to build skilled manpower.
- **Monthly Stipend Support:** Offers ₹3,000 per month to trainees, with pro-rata payment for shorter training durations.
- **Trainer Support:** Ensures quality training through honorarium up to ₹15,000 per month for trainers.
- **Operational Cost Assistance:** Provides ₹400 per trainee per month to sponsoring agencies for expenses like raw materials, electricity, and other costs.
- **Technology Awareness:** Helps workers and entrepreneurs understand and adopt modern coir processing technologies.
- **Management Skill Enhancement:** Enables entrepreneurs to improve business management and operational efficiency.

Mahila Coir Scheme (MYC):

- **Women-Focused Training:** Exclusive training programmes for rural women artisans in coir-related activities.
- **Advanced Skill Development:** Training on modern machinery and advanced technology to enhance productivity and quality.
- **Entrepreneurship Support:** Integration with entrepreneurial programmes to help women start their own coir units.
- **Linkage with PMEGP:** Facilitates access to financial assistance for self-employment through PMEGP.
- **Handholding Support:** Provides guidance and assistance by Coir Board officials to avail scheme benefits.

- **Distribution of Equipment:** Supplies motorized ratts and other machinery for spinning, weaving, and production.
- **Financial Assistance for Units:** Supports setting up coir units with project cost up to ₹25,00,000/- under PMEGP.
- **Employment Generation:** Creates sustainable livelihood opportunities for rural women artisans.ce for procurement of machines/equipment may be obtained under the PMEGP scheme for setting up new coir units for which the maximum project cost is up to ₹25,00,000/-.

Required Documents

Documents/details for Training sponsoring agency:

1. Proof of NGOs registered in the Darpan Portal of NITI Aayog
2. Details of the source of raw material for training
3. Details of power connection
4. Details of availability of machinery for training
5. Details of the mode of acquiring the basic Infrastructure
6. Any other document, as required

Documents/details for candidate/trainee:

1. ID proof (Election ID Card/Ration Card/Aadhaar Card / PAN Card)
2. Proof of address
3. Bank account details
4. Recent passport-size photographs (two copies)
5. Caste Certificate, if applicable
6. Disability certificate, if applicable

Any other document, as required

7. Mudra Yojana –

Portal link -<https://www.mudra.org.in>

Pradhan Mantri MUDRA Yojana (PMMY)

8. Pradhan Mantri MUDRA Yojana (PMMY) is a scheme launched by the Hon'ble Prime Minister on April 8, 2015 for providing loans up to 10 lakh

(20 lakh for those entrepreneurs who have availed and successfully repaid previous loans under the 'Tarun' category) to the non-corporate, non-farm small/micro enterprises. These loans are classified as MUDRA loans under PMMY. These loans are given by Commercial Banks, RRBs, Small Finance Banks, MFIs and NBFCs. The borrower can approach any of the lending institutions mentioned above or can apply online through this portal www.udyamimitra.in. Under the aegis of PMMY, MUDRA has created four products namely 'Shishu', 'Kishor', 'Tarun' and 'TarunPlus' to signify the stage of growth / development and funding needs of the beneficiary micro unit / entrepreneur and also provide a reference point for the next phase of graduation / growth.

8. Support Training & Employment for Women

Portal link -

<https://wcd.delhi.gov.in/scert/support-training-employment-women> (**PMMVY**)

The STEP programme aims to increase the self-reliance and autonomy of women by enhancing their productivity and enabling them to take up income generation activities. It provides training for skill upgradation to poor and asset less women in the traditional sectors viz. agriculture, animal husbandry, dairying, fisheries, handlooms, handicrafts, khadi and village industries, sericulture, social forestry and wasteland development.

Objectives

- To mobilise women in small viable groups and make facilities available through training and access to credit.
 - To provide training for skill upgradation.
 - To enable groups of women to take up employment-cum-income generation programmes by providing backward and forward linkages.
-
- To provide support services for further improving training and employment conditions of women.

Implementing Agencies

The scheme is implemented through Public Sector, Organisations, District Rural Development Agencies, Federations, Co-operatives and Voluntary Organisations registered under the Societies Registration Act, 1860 or under the Corresponding State Acts. Recipients of financial assistance under STEP are required to be bodies, organisations or agencies working in rural areas, although their headquarters may be located in an urban area.

9. PMEGP (Prime Minister Employment Generation Programme) –

Portal link - <https://www.jansamarth.in/prime-minister-employment-generation-program-scheme>

Introduction

1. PMEGP is a central sector scheme administered by the Ministry of Micro, Small and Medium Enterprises (MoMSME). The scheme is implemented by Khadi and Village Industries Commission (KVIC) functioning as the nodal agency at the national level. At the state level, the scheme is implemented through State KVIC Directorates, State Khadi and Village Industries Boards (KVIBs), District Industries Centers (DICs), and Coir Board, known as the Implementing Agencies.

Benefits of PMEGP

1. Bank-financed subsidy program for setting up new microenterprises in non-farm sector.
2. Margin Money subsidy on Bank Loan ranges from **15% to 35%** for projects up to **Rs. 50 Lakh** in manufacturing and **Rs. 20 Lakh** in the service sector.
3. For beneficiaries belonging to special categories such as SC/ ST / Women/ PH/ Minorities/ Ex-Servicemen/ NER, the margin money subsidy is **35%** in rural areas and **25%** in urban areas.

Eligible Applicants

1. Any individual, above **18 years** of age is eligible.
2. There will be no income ceiling for assistance for setting up projects under PMEGP.
3. No Educational Qualification is required for project cost up to **10 Lakhs** for manufacturing and up to **5 Lakhs** for service sector.
4. Beneficiaries should possess at least **VIII standard pass** educational qualification for setting up of project costing above **Rs. 10 lakh** in the manufacturing sector and above **Rs. 5 lakh** in the business /service sector.
 - (i) Self Help Groups (including those belonging to BPL provided that they have not availed benefits under any other Scheme),
 - (ii) Institutions registered under Societies Registration Act, 1860,
 - (iii) Production Co-operative Societies, and,
 - (iv) Charitable Trusts are also eligible for assistance under PMEGP.
5. Existing Units (Under PMRY, REGP or any other scheme of Government of India or State Government) and the units that have already availed Government Subsidy under any other scheme of Government of India or State Government are not eligible.

Additional Information

1. To generate employment opportunities in rural as well as urban areas of the country through setting up of new self-employment ventures/projects/micro enterprises.
2. To bring together widely dispersed traditional artisans/ rural and urban unemployed youth and give them self-employment opportunities to the extent possible, at their place.
3. To provide continuous and sustainable employment to a large segment of traditional and prospective artisans and rural and urban unemployed youth in the country, so as to help arrest migration of rural youth to urban areas.
4. To increase the wage-earning capacity of artisans and contribute to increase in the growth rate of rural and urban employment.

10. Startup India Seed Fund Scheme

Portal link - <https://seedfund.startupindia.gov.in>

Easy availability of capital is essential for entrepreneurs at the early stages of growth of an enterprise.

Funding from angel investors and venture capital firms becomes available to startups only after the proof of concept has been provided. Similarly, banks provide loans only to asset-backed applicants. It is essential to provide seed funding to startups with an innovative idea to conduct proof of concept trials.

DPIIT has created Startup India Seed Fund Scheme (SISFS) with an outlay of INR 945 Crore to provide financial assistance to startups for Proof of Concept, prototype development, product trials, market entry, and commercialization. It will support an estimated 3,600 entrepreneurs through 300 incubators in the next 4 years.

The Hon'ble Prime Minister of India announced the scheme in his Grand Plenary address of Prarambh: Startup India International Summit on 16th January 2021. After approval of EFC and Hon'ble Finance Minister, the scheme has been notified on 21.01.2021.

The Seed Fund will be disbursed to eligible startups through eligible incubators across India.

Objectives of SISFS

Many innovative business ideas fail to take off due to the absence of this critical capital required at an early stage for proof of concept, prototype development, product trials, market entry and commercialization.

Seed Fund offered to such promising cases can have a multiplier effect in validation of business ideas of many startups, leading to employment generation.

Eligibility Criteria

- **Startups**

1. A startup, recognized by DPIIT, incorporated not more than 2 years ago at the time of application.
To get DPIIT-recognized, please visit https://www.startupindia.gov.in/content/sih/en/startupgov/startup_recognition_page.html
2. The startup must have a business idea to develop a product or a service with a market fit, viable commercialization, and scope of scaling.
3. The startup should be using technology in its core product or service, or business model, or distribution model, or methodology to solve the problem being targeted.
4. Preference would be given to startups creating innovative solutions in sectors such as social impact, waste management, water management, financial inclusion, education, agriculture, food processing, biotechnology, healthcare, energy, mobility, defence, space, railways, oil and gas, textiles, etc.
5. Startup should not have received more than Rs 10 lakh of monetary support under any other Central or State Government scheme. This does not include prize money from competitions and grand challenges, subsidized working space, founder monthly allowance, access to labs, or access to prototyping facility.

6. Shareholding by Indian promoters in the startup should be at least 51% at the time of application to the incubator for the scheme, as per Companies Act, 2013 and SEBI (ICDR) Regulations, 2018.
7. A startup applicant can avail seed support in the form of grant and debt/convertible debentures each once as per the guidelines of the scheme.

Eligibility Criteria

- Startups
 - **Incubators**
-

1. The incubator must be a legal entity:
 - A society registered under the Societies Registration Act 1860, or
 - A Trust registered under the Indian Trusts Act 1882, or
 - A Private Limited company registered under the Companies Act 1956 or the Companies Act 2013, or
 - A statutory body created through an Act of the legislature
2. The incubator should be operational for at least two years on the date of application to the scheme
3. The incubator must have facilities to seat at least 25 individuals
4. The incubator must have at least 5 startups undergoing incubation physically on the date of application

5. The incubator must have a full-time Chief Executive Officer, experienced in business development and entrepreneurship, supported by a capable team responsible for mentoring startups in testing and validating ideas, as well as in finance, legal, and human resources functions
6. The incubator should not be disbursing seed fund to incubatees using funding from any third-party private entity
7. The incubator must have been assisted by the Central/State Government(s)
8. In case the incubator has not been assisted by the Central or State Government(s):
 - The incubator must be operational for at least three years
 - Must have at least 10 separate startups undergoing incubation in the incubator physically on the date of application
 - Must present audited annual reports for the last 2 years
9. Any additional criteria as may be decided by the Experts Advisory Committee (EAC)

- Social Welfare

3. Financial Assistance To Poor & Needy Widow Women

Link - <https://www.myscheme.gov.in/schemes/fapnw>

Details

"Financial Assistance to Poor & Needy Widow Women" is a scheme by the Department of Social Welfare, Govt. of Manipur. The objective of the scheme is to provide social security by way of financial assistance to widows in the age group of 18-40 years as this group is not getting benefits under the Indira Gandhi National Widow Pension Scheme. In Manipur, there are many widows of this age group due to the armed conflict and HIV/AIDS. Therefore, this scheme is indispensable for such widows to prevent difficulties and hardships to bear the daily need for survival. Widows who are domiciled in Manipur and have been residing in Manipur for more than 5 years continuously preceding the date of application are eligible under the scheme. This is a State Sponsored Scheme and only the citizens who are domiciled in the State of Manipur can apply for this

scheme. The application should be submitted through the respective District Social Welfare Officer.

Benefits

1. The financial assistance will be at the rate of ₹ 2,000/- per annum per widow.
2. The scheme will cover all the eligible beneficiaries within the State of Manipur.
3. Financial assistance will be continued with the fresh/Renewal application every year if the fund is available.

Eligibility

1. The applicant should be a domicile of the state of Manipur.
2. The applicant should be a Widow.
3. The age of applicant should be between 18-40 years.
4. The applicant should belong to a Below Poverty Line (BPL) household.

Exclusions

1. Financial assistance will not be allowed in case of remarriage.
2. Financial assistance will not be allowed once the widows move above the poverty line.

Application Process

Offline

Step 1: The application form can be downloaded from the Department's website www.socialwelfare.nic.in or collected from the District Social Welfare Offices, Office of CDPOs. The application forms are also available during MeeyamgiNumit at Chief Minister's Darbar Hall.

Step 2: Fill in the mandatory fields of the Application Form, and attach the supporting (self-attested) documents and the passport-sized photograph.

Step 3: Submit the form to the Office of the District Social Welfare Officer concerned.

Step 4: The name of the selected beneficiaries will be made available on the Department's website or displayed on the notice board of the Directorate, Social Welfare/ District Social Welfare Offices.

Documents Required

1. Residential / Domicile Certificate of the state of Manipur.
2. Details of the Bank Account.

3. Aadhaar Card.
4. Proof of Identity.
5. Proof of Age / Date of Birth.
6. Marriage Certificate.
7. Death Certificate of the Husband.
8. Ration Card / BPL Card.

NOTE 3: In the case of the victim being a married woman, the application may be made on her behalf by her husband/ parent/ guardian.

Documents Required

1. Medical certificate issued by the Medical Board at the District level where the application is being made by or on behalf of the victim.
2. Copy of the FIR/Complaint.
3. Copy of application made to or benefit received from Women & Child Development Department.

4. Mission *Shakti*

Link -

<https://missionshakti.wcd.gov.in/>

It has two sub-schemes – 'Sambal' and 'Samarthya'.

In the Sambal sub scheme, which is for safety and security of women, the existing scheme of One Stop Centre (OSC), Women Helpline (WHL), Beti Bachao Beti Padhao (BBBP) have been included with modifications and a new component of Nari Adalat - women collective has been added.

In the Samarthya sub scheme, which is for empowerment of women, existing schemes of Ujjwala, SwadharGreh and Working Women Hostel have been included with modifications. In addition, the existing schemes of National Creche Scheme and PMMVY under umbrella 6 ICDS have now been included in Samarthya. A new component of Gap Funding for Economic Empowerment has also been added in the Samarthya Scheme. The existing subschemes of Mahila Shakti Kendra (MSK) and Mahila Police Volunteers (MPV) have been discontinued.

'Sambal'-

BBBP scheme was launched on 22nd January, 2015 aims to prevent Gender biased sex selective elimination, ensure survival and protection of girl child and also to ensure education of the girl child. Beti Bachao Beti Padhao (BBBP) is a component of SAMBAL sub-scheme under Mission Shakti and implemented across all the districts of the country through multi-sectoral interventions. Ministry has developed a thematic calendar for suggested convergence activities at district level with month wise specific themes for holistic development of the Girl Child.

The One Stop Centre (OSC) scheme is being implemented by the Government across the country since 1st April, 2015 to provide integrated support and assistance under one roof to women affected by violence and those in distress, both in private and public spaces. It also provides an integrated range of services including medical aid, legal aid and advice, temporary shelter, police assistance, psycho-social counselling to needy women.

Nari Adalat, is a component of the "Sambal" sub-scheme under Mission Shakti which aims for providing women with an alternate Grievance Redressal Mechanism

for resolving cases of petty nature (harassment, subversion, curtailment of rights or entitlements) faced by them at Gram panchayat level by negotiation, mediation, and reconciliation with mutual consent for speedy, accessible, and affordable justice. Nari Adalat is also used as a platform for awareness of right, entitlements, social facilitation and hand holding of women centric organizations. Scheme is being run in the 50 Gram Panchayats each in the State of Assam and UT of Jammu and Kashmir.

WHL is a component of Sambal vertical under Mission Shakti, aims to provide 24x7x365 emergency and non-emergency response through telephonic short-code 181 to women, both in public and private spaces by linking them with appropriate authorities such as Police, One Stop Centres, Hospitals, Legal Services Authorities etc. Additionally, it provides information about women welfare schemes and programs.

'Samarthya'.-

The Government of India has decided to provide the day-care creche facilities through the component of Palna. Anganwadi centres are the world's largest childcare institutions dedicated to providing essential care and support to children ensuring delivery of care facilities till the last mile. This will ensure whole day childcare support ensuring their well-being in a safe and secure environment. The objective of Palna component is to provide quality creche facility in safe and secure environment for children.

The Government of India is implementing Pradhan Mantri Matru Vandana Yojana (PMMVY) across the country through State Governments/Union Territory Administrations with effect from 1st January 2017. With the introduction of Mission Shakti, with effect from 01.04.2022, PMMVY is a component of the Samarthya vertical of Mission Shakti under which cash incentives of ₹5,000/- is provided in two instalments directly to the Aadhaar seeded Bank/Post Office account of the beneficiary in Direct Benefit Transfer (DBT) mode for first child and ₹6,000/- is provided in one installment post birth through DBT mode for the second child subject to second child is girl in accordance with Mission Shakti Scheme Guidelines.

The objective of the Scheme is to provide safe, secure, conveniently located, and affordable accommodation for women who are in the workforce and/or aspire to join the workforce. Under the Scheme, financial assistance is provided to the States/UTs for running of Sakhi Niwas in rented premises. The scheme also makes a provision of Day Care Centre for children of the residents of the Sakhi Niwas.

Under the overarching 'Mission Shakti', erstwhile schemes of 'Swadhar Greh' for women in difficult circumstances and 'Ujjawala Home' for Prevention of Trafficking, have been merged and known as 'Shakti Sadan Scheme', which is an Integrated Relief and Rehabilitation Home for women in distressful situations

including trafficked women. It aims at creating a safe and enabling environment for the women in such difficult situations, to enable them to overcome the adverse circumstances. Under the Scheme, financial assistance is provided to the States/UTs for running of Shakti Sadan in rented premises.

The SANKALP: HEW (Hub for Empowerment of Women) is one such initiative, under the ambit of Mission Shakti, that will serve as a vehicle to bridge the information and knowledge gap regarding schemes and facilities available for women as well as guide them to avail the benefits and entitlements. The SANKALP: HEW will also serve as a Project Monitoring Unit (PMU) for all components under Mission Shakti and will work in convergence with the Beti Bachao Beti Padhao (BBBP) scheme .

- Working Women
 1. **Working Women Hostel** — provides safe accommodation for working women.
- Link - <https://wcdhry.gov.in/schemes-for-women/working-women-hostel/>

Background

With the progressive change in the socio-economic fabric of the country more and more women are leaving their homes in search of employment in big cities as well as urban and rural industrial clusters. One of the main difficulties faced by such women is lack of safe and conveniently located accommodation. The Government of India being concerned about the difficulties faced by such working women, introduced a scheme in 1972-73 of grant-in- aid for construction of new/ expansion of existing buildings for providing hostel facilities to working women in cities, smaller towns and also in rural areas where employment opportunities for women exist. Based on an evaluation, the existing scheme has been revised to promote availability of safe and conveniently located accommodation for working women who need to live away from their families due to professional commitments.

Objective

The objective of the scheme is to promote availability of safe and conveniently located accommodation for working women, with day care facility for their children, wherever possible, in urban, semi urban, or even rural areas where employment opportunity for women exist. The scheme is assisting projects for construction of new hostel buildings, expansion of existing hostel buildings and hostel buildings in rented premises. The working women's hostel projects being

assisted under this scheme shall be made available to all working women without any distinction with respect to caste, religion, marital status etc., subject to norms prescribed under the scheme. While the projects assisted under this scheme are meant for working women, women under training for job may also be accommodated in such hostels subject to the condition that taken together, such trainees should not occupy more than 30% of the total capacity the hostel and they may be accommodated in the hostels only when adequate numbers of working women are not available. Children of workingwomen, up to the age of 18 years for girls and up to the age of 5 years for boys may be accommodated in such hostels with their mothers.

Beneficiaries

Following categories of working women and their children are being covered under this Scheme:

- Working women, who may be single, widowed, divorced, separated, married but whose husband or immediate family does not reside in the same city/area.
- Particular preference may be given to women from disadvantaged sections of the society.
- There should be also provision for reservation of seats for physically challenged beneficiaries.'
- Women who are under training for job provided the total training period does not exceed one year.
- This is only on the condition that there is vacancy available after accommodating working women.
- The number of women under training for job should not exceed 30% of the total capacity.
- Girls up to the age of 18 years and boys up to the age of 5 years, accompanying working mothers will be provided accommodation, with their mothers.
- Working mothers may also avail of the services of the Day Care Centre, as provided under the scheme.

Income Limit, Rent and Period of Stay

Working Women are entitled to hostel facilities provided their gross income does not exceed Rs. 50,000/- consolidated (gross) per month in metropolitan cities, or Rs 35,000/-consolidated (gross) per month, in any other place. When the income of any workingwoman already residing in a hostel exceeds the prescribed limits, she will be required to vacate the hostel within a period of six months of crossing the income ceiling. The implementing organization charges from the inmates of the working women's hostel reasonable rent not exceeding 15% of their total emoluments/ gross salary in the case of single bed rooms, 10% in case of the double bed rooms and 7 ½ % in the case of the dormitories. Fees charged from the children in the Day Care Centre should not be more than 5% of the emoluments of their mother, or the actual expenditure whichever is less.

The rent for women under training for job shall not exceed the rent to be charged from the working women. The rent for such trainees may be charged from the institution/organization sponsoring the training or from the woman herself. The rent does not include use of the mess

and other facilities like washing machines for which user charges should be collected. As far as practicable, women with children are accommodated in single/ double bed rooms instead of dormitory. No working woman is allowed to stay in a hostel, assisted under this scheme for more than three years. In exceptional circumstances, the District Administration may, for reasons to be recorded in writing, allow working women to stay in a hostel, beyond the three year period, subject to the condition that the period of extension, shall not exceed six months at one time, and that the total stay of the woman, with extensions, shall not exceed five years.

Eligibility Criteria

The following agencies/ organizations can apply assistance under the scheme:

- State Government agencies including Women Development Corporations, Women Finance Corporations etc.
- Urban Municipal Bodies including Cantonment Boards
- Panchayati Raj Institutions
- SHGs (Self Help Groups)
- Recognized Colleges/ Universities
- Civil Society Organizations having proven track record of working in the fields of women's welfare/ social welfare/ women's education subject to the condition that such organization is registered under the Indian Societies Registration Act, 1860 or any relevant State Act; Public Trusts registered under any law for the time being in force, and Co- operative institutions **meeting the following criteria:**
- It should be either recognized by the State/ UT administration under any existing scheme/law or should be well known with the experience of working in the field for at least 3 years, and its work should be reported to be satisfactory by the State Government/ Union Territory Administration concerned,
- It should have a properly constituted Managing Body with its powers, duties and responsibilities clearly defined and laid down,
- It should ordinarily have been engaged in the field of women's welfare/ social welfare/ women's education for a minimum period of three years prior to there quest for grant- in-aid under the scheme,
- Its financial position should be sound and it should have facilities, resources, personnel and experience to undertake the management of such a project,
- It should run the hostel and the Day-care Centre for pre-school children on a no profit basis.
- Corporate or associations like CII, ASSOCHAM, FICCI etc., subject to the condition that the other working women are also provided accommodation in the hostel under this scheme in addition to their female employees.
- Ministry of Women and Child Development and the State Governments may construct hostels on their own, and lease them to organization(s) having experience for such period(s) as deemed sufficient, for managing its operations as per norms of the scheme. State Govt. may seek assistance as per the prescribed norms of the scheme.

2. Working Women Hostel Scheme

link - <https://cleartax.in/s/working-women-hostel-scheme>

Objectives of the Working Women Hostel Scheme

- To promote safe and convenient accommodation for the working - women and daycare facilities for their children.
- To facilitate accommodation services in rural, urban or semi-urban areas where employment opportunities for women exist.
- To assist projects in establishing new hostel buildings, hostel buildings in rented premises and extension of existing hostel buildings.
- To make hostels available for all working women without any discrimination.
- To provide accommodation for women undergoing training for jobs.

Beneficiaries of the Working Women Hostel Scheme

The following categories of working women and their children can stay in the hostels established under this scheme:

- Working women, including widowed, single, separated, divorced or married but whose husband or immediate family does not reside in the same city or area. Preference can be given to women from disadvantaged sections of society. There should also be a provision for reserving seats for physically challenged beneficiaries.
- Women undergoing training for jobs provided, the total training period is more than one year. However, such women can stay in the hostels if a vacancy is available after accommodating working women. The number of women undergoing training for jobs should not be more than 30% of the total capacity of the hostel.
- Accommodation will be provided to boys up to five years and girls up to 18 years accompanying working mothers in the hostels with their

mothers. Working mothers can also avail the daycare centre services provided under the scheme.

Eligible Agencies/Organisations under the Working Women Hostel Scheme

The following agencies or organisations (implementing agencies) can apply for assistance under the scheme to establish new hostels or expand existing hostels facility:

- State government agencies, including Women Finance Corporations, Women Development Corporations, etc.
- Urban municipal bodies, including cantonment boards.
- Panchayati Raj institutions.
- SHGs (Self Help Groups).
- Recognised colleges or universities.
- Civil society organisations having a track record of working in the fields of women's welfare, social welfare or women's education and are registered under the Indian Societies Registration Act, 1860 or any relevant State Act.
- Public trusts registered under any law and cooperative institutions.
- Corporate or associations like ASSOCHAM, CII, FICCI, etc., subject to the condition that other working women are provided accommodation in the hostel in addition to their female employees.
- The Ministry of Women and Child Development and the state governments can construct hostels on their own and lease them to organisations having sufficient experience for managing their operations as per the scheme's rules.

Rules of the Working Women Hostel Scheme

Income Limit

Working women whose consolidated gross income does not exceed Rs.50,000 per month in Metropolitan cities or Rs.35,000 per month in any other town or rural area are entitled to hostel facilities under this scheme. When a working woman's income residing in a hostel exceeds the prescribed income limits, she will be required to vacate the hostel within six months of crossing the income limits.

Rent Charges

The eligible agencies or organisations that provide hostel facilities can charge monthly rent for the rooms from the working women. The rate of the rooms will depend on the type of room the women have chosen. The monthly rent of the rooms under the scheme are as follow:

- For single bedroom – Rent charges not exceeding 15% of the gross remuneration of the working woman.
- For double bedroom – Rent charges not exceeding 10% of the gross remuneration of the working woman.
- For dormitories – Rent charges not exceeding 7½% of the gross remuneration of the working woman.
- For children daycare centre – Charges not exceeding 5% of the gross remuneration of the mother or the actual expenditure, whichever is less.

The rent for women undergoing training for jobs should not exceed the rent charged from the working women.

Period of stay

A working woman cannot stay in a hostel assisted under this scheme for more than three years. In exceptional circumstances, the district administration can allow a working woman to stay in a hostel beyond three years after recording the reasons for such extension for another six months

Application Procedure Under the Working Women Hostel Scheme

The eligible agencies or organisations (implementing agencies) can apply for grants-in-aid to establish hostel facilities or expand the hostel facilities by following the below procedures:

- The respective State Government will invite applications from the eligible agencies or organisations.
- The eligible agencies or organisations should fill the application in the prescribed form and submit it to the department of women and child development of the concerned state.
- The application for constructing a hostel on public land must be accompanied by the required documents (as stated below).
- The concerned state government will place the applications that fulfil the norms of the scheme before a Project Sanctioning Committee (PSC) for deciding the sanction of the grants-in-aid to the eligible agencies.

Documents Required Under the Working Women Hostel Scheme

The eligible agencies or organisations must submit the following documents along with the application for this scheme:

- Prospectus of the association, organisation, institution or voluntary agency with a short description of its activities and objectives.
- Copy of the annual reports and balance sheet for the past three years.
- Audited accounts, including income and expenditure statement, auditors report receipt and payment statement certified by CA/government auditors.
- Copy of the building and site plan of the proposed working women's hostel construction as per the norms under this scheme and certified by a registered architect.

- Copy of building permit certificate and approval from the local authority stating that the construction of the hostel has been permitted.
- Detailed cost estimate of hostel building construction certified by the PWD (Public Works Department) or any other relevant authority and the sources from which there will be a grant of the remaining funds.
- Documentary copy of the plot upon which the building is proposed to be constructed, in case of public land.
- Lease deed of the proposed land for the working women's hostel building construction signed between the lessee and the governing authority.
- The lease deed must have the condition that the land must be used to construct the working women's hostel.

The implementing agencies seeking financial assistance for the hostels in rented premises must submit the below additional documents:

- Copy of the rental agreement with the landlord.
- Once the project is approved, the implementing agency must submit a new rental agreement certified by the respective authority.
- Detailed building plan and the financial calculations of the rented premises certified by the district collector or state PWD.

Financial Assistance Under Working Women Hostel Scheme

The financial assistance (cost for the construction of the hostel building) will be shared on a specific ratio between the Central Government, State Government/UT (other than North-Eastern and the Himalayan states), and the implementing agencies.

The cost-sharing ratio between the Central Government, State Government/UT (other than North-Eastern and the Himalayan states) and the implementing agencies is 60:15:25 for the construction of working women hostel buildings. The cost-sharing ratio between Central Government, State Government/UT and the

implementing agencies for the North-Eastern and the Himalayan States is 65:10:25.

For the financial assistance to the hostels operated in the rented premises, the rent amount would be assessed by the state PWD or district collector. The rent would be utilised for the housekeeping, security service, hostel maintenance, office establishment, expenditure towards water and electricity charges and any other facilities other than a mess.

The grants for replacing items like solar water heaters, geysers and washing machines will also be sanctioned every five years, provided the hostel has been maintained properly during the preceding five years.

Release of Grants Under the Working Women Hostel Scheme

The state government/UT will release the grant for construction in three instalments in the ratio of 50:40:10 to the implementing agencies. It will also issue a one-time grant to purchase area facilities and furniture with the third instalment of 10% of the construction cost of the hostel. The three instalments will be released as follows:

5. First instalment – Released with the sanction of the project.
6. Second instalment – Released when the implementing agencies have spent the previous instalment along with its proportionate share of the hostel building construction cost.
7. Third instalment – Release of 10% of the amount and the one-time grants on the completion of the hostel building construction.

The project will be reviewed or monitored every two years, and if the state government/UT approves the continuation, it will be reviewed in the next block of two years.

- **Sports**

1. *Shakti se Sashaktikaran*

-

- Recent examples of success of India's women athletes:
- Weightlifter Mirabai Chanu won the Silver medal in the women's 49 Kg weightlifting, Tokyo Olympics 2020
- PV Sindhu became the only female sportsperson from India, to win two successive Olympics medals – Silver at Rio 2016 and Bronze in Tokyo 2020.
- Mirabai Chanu joined the legendary Karnam Malleswari to become the only second weightlifting medallist from the country and the very first weightlifter to win the Silver medal.
- India women's hockey team entered the semi-finals of the Olympics for the first-time ever at Tokyo, 2020
- Financial impetus to support having international competitions for women in India:
- Hosting World Boxing Championship in New Delhi in 2018, with a grant of Rs 3 crore from Khelo India.
- Exclusive sports leagues for women at the grassroot-level
- Support to elite women athletes has risen from 48 in 2015 to 178 in 2021

2. Khelo India – National Programme for Development of Sports

Portal link - <https://www.pib.gov.in>

Khelo India Scheme was formulated by merging the existing, now erstwhile, schemes of **Rajiv Gandhi Khel Abhiyan (RGKA)**, **Urban Sports Infrastructure Scheme (USIS)** and **National Sports Talent Search Scheme (NSTSS)**. At their inception, RGKA envisaged creation of sports complexes in all blocks across the country and conduct competitions. USIS was the pre-cursor to the infrastructure component of the Khelo India Scheme and the NSTSS envisaged searching and nurturing of sporting talent.

However, the schemes could not take off, largely owing to the lack of co-ordination and a combined vision of the Centre and the States. The National Games, the biggest event for grassroot-level talent identification, were held at long intervals, leaving aspiring athletes to look for avenues to showcase their talent. The launch of the Khelo India Scheme 2016, corrected these anomalies.

-
- The '**Khelo India – National Programme for Development of Sports**' was revamped with 12

verticals and launched in October, 2017.

-
-
-

- **Target Olympic Podium Scheme (TOPS):** Sustained support to sporting excellence; journey of the reform
- The Mission Olympic Cell (MOC) was formed in April 2016 to provide impetus to Indian athletes competing in the Olympics. MOC was made more effective by increasing involvement of National Sporting Federations; experts of various sporting disciplines, including sports science; focussing on sports-specific nuances and extending support to athletes.
- Initially formulated in 2014, TOPS aimed at promoting Sporting Excellence among elite athletes. It was completely revamped to address the further requirements of the MOC.
 - **FIT India Movement:** Improving India's fitness quotient
 - Formally **launched by PM** Narendra Modi as People's Movement on August 29, 2019.
 - To promote the concept of: Fitness is Fun, Fitness is Easy, Fitness is Free
 - Initiated interactions with experts from the field of fitness, corporate companies engaged in promoting fitness and various Ministries such as Education, Panchayati Raj, Health, Ayush, among others.

Introduction: Khelo India Scheme 2016

The primary focus is to create a national level platform for athletes to showcase their talent and to identify them for further grooming and financial support. From 2017 to 2020, three editions of Khelo India School and Youth Games and one edition of Khelo India University Games have been hosted, giving talented young sportspersons a chance to win their way to a Khelo India Scholarship and be trained for higher levels of competition by the best coaches and in state-of-art sporting complexes.

Key Achievements:

- Funding of Rs 6.28 lakh per annum per athlete to 2970 Khelo India Athletes (KIAs) which includes Rs 10,000 per month out of pocket allowance for each KIA, besides providing support for training, equipment, diet and education.
- **To provide a higher per capita sporting infrastructure** across the country:
 - 235 Academies have been accredited for training of Khelo India Athletes (KIAs) in 21 sports disciplines
 - 500 private academies under Khelo India Scheme in collaboration with National Sports Federations
 - Sports Infrastructure Projects:
 - 38 projects undertaken between 2010-2014
 - 267 projects undertaken between 2014-2020
- **Furthering collaboration with State Governments:**
 - **In 2020**, the Ministry of Youth Affairs & Sports (MYAS) partnered with the States to create world-class sporting infrastructure called Khelo India State Center of Excellence (KISCE).

- 1000 Khelo India Centers (KIC) are being setup at the district level to strengthen grassroots-level sports infrastructure in States and to provide a source of income for local sporting talent by engaging them as coaches in KICs.
- 4819 trainees have been covered in 66 Sports Authority of India Training Centres (STCs) under SLKIC
- 9 Schools have been adopted as [State level Khelo India Centers \(SLKIC\)](#)
- 24 KISCE's have been approved and [8 KISCE's have been launched](#)
- 1000 KICs in districts across India
- **Assessment of fitness levels of school going children** to identify future champions
- More than 23 lakh school going children in the age group of 5-18 years have been assessed using the [Khelo India Mobile App](#)
- More than 66,000 physical education teachers have been trained to assess the sporting prowess of children
- To ensure maximum utilisation and access to playfields:
- A national inventory of playfields and sports infrastructure has therefore been prepared on a Geographic Information System (GIS)
- 11,227 playfields geo-tagged to provide access to sporting facilities at grassroots
- **Created a strong network of community coaches:** More than 15,000 PE (Physical Education) teachers trained as community coaches to identify young talent

3. **ASMITA** (Achieving Sports Milestone by Inspiring Women Through Action) **Leagues** -

Link - <https://www.mygov.in/campaigns/asmita-khelo-india-women-league>

The Ministry of Youth Affairs and Sports (MYAS), through the Khelo India initiative, is promoting the ASMITA (Achieving Sports Milestone by Inspiring Women Through Action) Leagues. Formerly known as the Khelo India Women's League, ASMITA represents the unyielding spirit, resilience, and power of Indian women athletes.

ASMITA – Stands for Achieving Sports Milestone by Inspiring Women Through Action. through leagues and competitions. Part of the Khelo India Mission's gender-neutral mission. Launched in – 2021, Rebranded into ASMITA IN 2023.

The ASMITA - Khelo India Women League Tagline Contest is organized by the Ministry of Youth Affairs and Sports (MYAS) under the Khelo India initiative, in collaboration with Sports Authority of India (SAI) and MyGov. The [contest aims to promote the unyielding spirit,](#)

[resilience, and power of Indian women athletes](#) Only those candidates who have qualified the UPSC Civil Services Preliminary Examination, 2026 shall be eligible to apply under this Scheme. Only candidates who qualify the UPSC CSE Mains 2026 shall be eligible for Phase II.

SBI Asmita, a collateral free low interest loan offering exclusively for women entrepreneurs, was launched on March 7, 2025 by [State Bank of India \(SBI\)](#) to boost their business borrowings.

Under this scheme, families with one or two daughters are eligible for financial benefits. The government deposits a sum of ₹50,000 in the name of the girl child, which can be accessed when she turns 18, provided she has completed her education and remains unmarried

- **Rural development -**

1. **Deendayal Antyodaya Yojana- National Rural Livelihoods Mission**

Link -

<https://nrlm.gov.in/outerReportAction.do?methodName=showIndex#gsc.tab=0>

Details

Deendayal Antyodaya Yojana - National Rural Livelihoods Mission (DAY-NRLM) is the flagship program of the Ministry of Rural Development (MoRD) for promoting poverty reduction through building strong institutions for the poor, particularly women, and enabling these institutions to access a range of financial services and livelihoods. DAY-NRLM adopts a demand-driven approach, enabling the States to formulate their own State-specific poverty reduction action plans. The blocks and districts in which all the components of DAY-NRLM would be implemented, either through the SRLMs or partner institutions or NGOs, would be the intensive blocks and districts, whereas the remaining would be non-intensive blocks and districts. National Rural Livelihood Mission (NRLM) is a restructured version of restructuring Swarnajayanti Gram Swarojgar Yojana (SGSY). NRLM was renamed as DAY-NRLM (Deendayal Antyodaya Yojana - National Rural Livelihoods Mission) w.e.f. March 29, 2016.

NRLM has set out with an agenda to cover 7 Crore rural poor households, across 600 districts, 6000 blocks, 2.5 lakh Gram Panchayats and 6 lakh villages in the country through self-managed Self Help Groups (SHGs) and federated institutions and support them for livelihoods collectives in a period of 8-10 years. In addition, the poor would be facilitated to achieve increased access to their rights, entitlements, and public services, diversified risk, and better social indicators of empowerment. NRLM believes in harnessing the innate capabilities of the poor and complements them with capacities (information, knowledge, skills, tools, finance, and collectivization) to participate in the growing economy of the country.

The Mission

"To reduce poverty by enabling the poor households to access gainful self-employment and skilled wage employment opportunities, resulting in appreciable improvement in their livelihoods on a sustainable basis, through building strong grassroots institutions of the poor."

The Core Values

Inclusion of the poorest, and meaningful role to the poorest in all the processes

Transparency and accountability of all processes and institutions

Ownership and the key role of the poor and their institutions in all stages – planning, implementation, and, monitoring

Community self-reliance and self-dependence

NRLM implementation is in a Mission Mode. This enables -

- (a) the shift from the present allocation-based strategy to a demand-driven strategy enabling the states to formulate their own livelihoods-based poverty reduction action plans,
- (b) focus on targets, outcomes, and time-bound delivery,
- (c) continuous capacity building, imparting requisite skills and creating linkages with livelihoods opportunities for the poor, including those emerging in the organized sector, and
- (d) monitoring against targets of poverty outcomes.

As NRLM follows a demand-driven strategy, the States have the flexibility to develop their livelihoods-based perspective plans and annual action plans for poverty reduction. The overall plans would be within the allocation for the state based on inter-se poverty ratios.

Benefits

Key benefits of the Scheme include:

1. One member (preferably a woman) from each rural poor household would be brought under the Self Help Group (SHG) network. Women SHG groups would have bank-linkage arrangements.
2. SHGs would be federated at the village level and higher levels to provide space, voice and resources and to reduce dependence on external agencies.

3. The Mission consists of four components, viz., (i) social mobilization, community institution, and capacity building; (ii) financial inclusion; (iii) livelihood promotion; and (iv) convergence.
4. The participatory social assessment would be organized to identify and rank all households according to vulnerability. The ranking would be with reference to the poorest of the poor, single woman and woman-headed households, disabled, landless, and migrant labor and they would receive special focus.
5. Training and capacity building of the poor, particularly in relation to managing the institutions, livelihoods, credit absorption, and creditworthiness.
6. The Mission also supports the development of skills for rural youth and their placement, training, and self-employment through rural self-employment institutes (RSETIs), innovations, infrastructure creation, and market support.
7. Provision of Revolving Fund as support to SHGs to strengthen their institutional and financial management capacity and build a good credit history.
8. Provision of Community Investment Support Fund (CIF) in the intensive blocks to the SHGs through the Federations to advance loans and/or undertake common/collective socio-economic activities.
9. Introduction of financial inclusion model, loaning from banks, association and coordination with banking/financial institutions, and coverage from loss of life, health, etc.
10. Provision of Interest Subvention on loans availed by SHGs to cover the difference between the lending rate of the banks and 7%.
11. Convergence with various ministries and agencies dealing with poverty reduction of rural poor.
12. With highly decentralized planning; States will have liberty in developing their own action plan for poverty reduction.
13. NRLM to have suitable linkages at the district level with District Rural Development Agencies (DRDAs) and Panchayat Raj Institutions (PRIs).

Eligibility

1. SHGs should be in active existence at least for the last 6 months as per the books of account of SHGs and not from the date of opening of the S/B account.
2. SHGs should be practicing 'Panchasutras' i.e., Regular meetings; Regular savings; Regular inter-loaning; Timely repayment; and Up-to-date books of accounts.

3. Qualified as per grading norms fixed by NABARD. As and when the federations of the SHGs come to existence, the grading exercise may be done by the Federations to support the banks.
4. The existing defunct SHGs are also eligible for the credit if they are revived and continue to be active for a minimum period of 3 months

Deendayal Antyodaya Yojana - National Rural Livelihood Mission (DAY-NRLM) is a **flagship poverty alleviation program** being implemented by the **Ministry of Rural Development**, Government of India to reduce poverty by enabling poor households to **access gainful self-employment and skilled wage employment opportunities** resulting in sustainable and diversified livelihood options for the poor. DAY-NRLM aims at mobilizing rural poor households into **Self Help Groups (SHGs)** and continuously nurturing and supporting them to take economic activities till they attain an appreciable increase in income over a period of time to come out of abject poverty.

The success of DAY-NRLM is evident in the way it has transformed rural lives. One such tale is of Meghalaya's, **Heinidamanki Kanai**, who's journey of becoming a successful entrepreneur began when she joined the **Kyrshanlang Self-Help Group (SHG)** in **January 2020**. With the support of her SHG and guidance from the **National Rural Livelihoods Mission (NRLM)**, Heinidamanki began making **hand- made soaps**—rose, aloe vera, orange, and lemon grass. Her hard work began to pay off in **August 2023**, just a few months after starting her business in April. Seeing her potential, she secured a **bank loan of Rs. 1.8 lakh** through her SHG. With this, she bought new machinery, tools, and even conducted lab testing to ensure the quality of her soaps.

Slowly but steadily, Heinidamanki's venture flourished. Her annual income crossed **Rs. 1 lakh**, transforming her life and giving her the confidence to dream even bigger. She didn't stop at her own success, she began **training other SHG members** from her village in soap making, spreading knowledge and inspiring others to follow their entrepreneurial dreams.

National Rural Livelihood Mission (NRLM) was launched in **2010** as a **mission-mode scheme** by restructuring the erstwhile **Swarnajayanti Grameen Swarojgar Yojana**

(SGSY). In 2016, the program was **renamed** Deendayal Antyodaya Yojana – National Rural Livelihood Mission (DAYNRLM). The central and state governments **jointly fund this centrally sponsored scheme**. It is one of the **world's largest initiatives to improve the livelihoods of the poor**. The Mission seeks to achieve its objective through investing in four core components:

- a. **social mobilization and promotion and strengthening of self-managed and financially sustainable community institutions of the rural poor women;**
- b. **financial inclusion;**
- c. **sustainable livelihoods; and**
- d. **social inclusion, social development and access to entitlements through convergence**

DAY-NRLM promotes **building strong institutions** such as Self-Help Groups (SHGs) for the poor, particularly women, and enabling these institutions to access a range of financial services and livelihoods. These institutions provide them with **long-term support to diversify their livelihoods, enhance their incomes, and improve their quality of life**. Most of the mission's interventions are being implemented and scaled up by the SHG women themselves who are trained as **community resource persons (CRPs) – Krishi Sakhis, Pashu Sakhis, Bank Sakhis, Bima Sakhis, Banking Correspondent Sakhis**, etc. The Mission is also working on empowering the SHG women through **awareness generation and behaviour change communication** on issues like domestic violence, women's education and other gender-related concerns, nutrition, sanitation, health, etc. The aim of the SHGs created under this scheme is to facilitate:

- a. **Access to formal credit;**
- b. **Support for diversification and strengthening of livelihoods; and**
- c. **Access to entitlements and public services.**

Women Empowerment via DAY-NRLM

The mission's core objective is to reduce poverty by enabling poor households, particularly women, to access financial services, diversify their livelihoods, and improve their quality of life. Financially, the mission empowers women by fostering community institutions that provide crucial financial, technical, and marketing resources. A significant landmark milestone has been achieved **under the Deen Dayal Antyodaya Yojana – National Rural Livelihoods Mission (DAY-NRLM)** by disbursing over **Rs. 11 lakh crores in credit to women Self-Help Groups (SHGs) through formal financial institutions**. This is facilitated by women trained as **Bank Sakhis** and **Banking Correspondent Sakhis**, who act as liaisons between SHGs and formal banking institutions. The Rs. 11 lakh crore disbursement, supported by collateral-free loans, interest subventions, and other financial assistance, is further underscored by an exceptional repayment rate of over 98 percent, showcasing the effectiveness and sustainability of these programs.

In terms of livelihood, DAY-NRLM supports both farm and non-farm activities. It empowers women farmers, known as '**Mahila Kisans**', by promoting agro-ecological practices and has covered 4.62 crore women under these interventions. A strong network of trained livelihood **Community Resource Persons called as KrishiSakhi** and

PashuSakhi are deployed to handhold and provide round the year extension services to the mahilakisans.

The mission also promotes micro-enterprises in areas like handicrafts and food processing through sub-schemes such as the **Start-up Village Entrepreneurship Program (SVEP)**, which has supported over 3.74 lakh enterprises. The Mission is also working on empowering the SHG women through awareness generation and behaviour change communication on issues like domestic violence, women's education and other gender-related concerns, nutrition, sanitation, health, etc.

Krishi Sakhi is a Community Agriculture Service Provider (CASP) who ensures last-mile support in rural areas where farm-based services are scarce or costly. Promotes awareness and builds community capacity in sustainable agriculture, while also facilitating the aggregation and marketing of agricultural produce to improve farmers' incomes.

Bank Sakhi is a trained Self-Help Group (SHG) member stationed at a bank branch to support SHGs with financial services. She helps open SHG savings accounts, facilitates both credit and debit transactions, and plays a key role in enabling credit linkage so SHGs can access loans and other banking facilities.

Pashu Sakhi is a **Community Animal-care Service Provider (CASP)** who ensures last-mile livestock services in rural areas where veterinary care is scarce or costly. Pashu Sakhi raises awareness, builds community capacity in livestock-based livelihoods, and helps aggregate and market livestock products to improve rural incomes

Overview of SHGs

Portal link - <https://en.vikaspedia.in/viewcontent/social-welfare/rural-poverty-alleviation-1/self-help-groups/>

What are Self Help Groups?

Self Help Groups (SHGs) are small groups of poor people. The members of an SHG face similar problems. They help each other, to solve their problems. SHGs promote small savings among their members. The savings are kept with the bank. This is the common fund in the name of the SHG. The SHG gives small loans to its members from its common fund. SHG is an informal group and registration under any Societies Act, State cooperative Act or a partnership firm is not mandatory vide Circular RPCD.No. Plan BC.13/PL -09.22/90- 91 dated July 24th, 1991.

Who helps to form SHGs?

A reasonably educated and helpful local person has to initially help the poor people to form groups. He or She tells them about the benefits of thrift and the advantages of forming groups. This person is called an 'animator' or 'facilitator'. Usually, the animator is a person who is already known to the community.

Any of the following persons can be a successful animator:

- Retired school teacher or a retired government servant, who is well known locally.

- A health worker/a field officer/staff of a development agency or department of the State Government.
- Field officer or a staff member of a commercial bank/regional rural bank or a field staff from the local co-operative bank or society
- A field level functionary of an NGO.
- An unemployed educated local person, having an inclination to help others.
- A member/participant in the Vikas Volunteer Vahini (VVV) Programme of NABARD.

Woman animators can play more effective role in organising women SHGs. The animator cannot organise the groups all alone. He or she will need guidance, training, reading material, etc. Usually, one of the following agencies help:

- A voluntary agency or Non Governmental Organization (NGO).
- The development department of the State Government.
- The local branch of a bank.

What does the animator do?

The animator talks to people in the village or at their homes. He or she explains the benefits of thrift and group formation. No promise of bank loan is given to anyone. He or she helps the group members to hold one or two initial meetings. The group finds a group leader, for holding meetings, keeping books, etc. The animator guides and encourages the leader and the group members.

Functioning of SHGs

Size of the SHG

- The ideal size of an SHG is 10 to 20 members. (Advantage: In a bigger group, members cannot actively participate. Also, legally it is required that an informal group should not be more than 20 people.)
- The group need not be registered.

Membership

- From one family, only one person can become a member of an SHG. (More families can join SHGs this way.)
- The group normally consists of either only men or of only women. Mixed groups are generally not preferred. Women's groups are generally found to perform better. (They are better in savings and they usually ensure proper use of loans.)
- Members should have the same social and financial background. (Advantage: This makes it easier for the members to interact freely with each other. If members are both from rich as well as poor class, the poor may hardly get an opportunity to express themselves.)
- Some Common factors for Membership in an SHG
 - Women/men from very poor households.
 - Those who depend on moneylenders even for daily necessities.
 - Those with a per capita income not exceeding Rs. 250 per month.
 - Those having dry land holding not exceeding 2.5 acres.
 - Common living conditions for the Group Members eg. Living in kutchha houses, Having no access to safe drinking water, Presence of illiterate adults in the family etc

Meetings

- The group should meet regularly. Ideally, the meetings should be weekly or at least monthly. (Advantage: They become closer, if they meet regularly. This helps them to understand each other's difficulties better.)
- Compulsory attendance: Full attendance in all the group meetings will make it easy for the SHG to stabilise and start working to the satisfaction of all.
- Membership register, minutes register etc., are to be kept up to date by the group by making the entries regularly. (Advantage: This helps you to know about the SHG easily. It also helps to build trust among the SHG members.)

Keeping of Accounts by the SHG

- Simple and clear books for all transactions to be maintained.
- If no member is able to maintain the books, the SHG may take outside help. (It has been seen that a boy or a girl from the village with some educational qualification does this job enthusiastically. After some months, the group can even consider giving him or her a small reward for this job.). Animator can also help.
- All registers and account books should be written during the course of the meeting. (Advantage: This creates confidence in the minds of members who are unable to read and write.)
- Books to be kept by an SHG
 - **Minutes Book:** The proceedings of meetings, the rules of the group, names of the members etc. are recorded in this book.
 - **Savings and Loan Register:** Shows the savings of members separately and of the group as a whole. Details of individual loans, repayments, interest collected, balance, etc. are entered here.
 - **Weekly /Fortnightly/Monthly Register:** Summary of receipts and payments, updated in every meeting.
 - **Members' Passbooks:** Individual members' pass books in which individual's savings and loan balance outstanding is regularly entered. (Advantage: this encourages regular savings.)

Major Functions of an SHG

- **Savings and Thrift:**
 - All SHG members regularly save a small amount. The amount may be small, but savings have to be a regular and continuous habit with all the members.
 - "Savings first — Credit later" should be the motto of every SHG member.
 - SHG members take a step towards self-dependence when they start small savings. They learn financial discipline through savings and internal lending. (Advantage: This is useful when they use bank loans.)
- **Internal lending:**
 - The SHG should use the savings amount for giving loans to members.
 - The purpose, amount, rate of interest, schedule of repayment etc., are to be decided by the group itself.
 - Proper accounts to be kept by the SHG.
- **Discussing problems:** In every meeting, the SHG should be encouraged to discuss and try to find solutions to the problems faced by the members of the group. Individually, the poor people are weak and lack resources to solve their problems. When the group tries to help its members, it becomes easier for them to face the difficulties and come up with solutions.
- **Taking bank loan:** The SHG takes loan from the bank and gives it as loan to its members.

2. Mahila Kisan Sashaktikaran Pariyojana (MKSP)

Link - <https://mksp.nrlm.gov.in/portal/>

Rural women form the most productive work force in the economy of majority of the developing nations including India. Agriculture, the single largest production endeavour in India, contributing to 16% of the GDP is increasingly becoming a female activity. Agriculture sector employs 80% of all economically active women; they comprise 33% of the agricultural labour force and 48% of self employed farmers. About 18% of the farm families in India, according to NSSO Reports are reported to be headed by women. Beyond the conventional market – oriented, narrower definition of ‘productive workers’, almost all women in rural India can be considered as ‘farmers’ in some sense, working as agricultural labourers, unpaid workers in the family farm enterprises or combination of the two.

Women in Agriculture are generally not able to access extension services and production assets like seed, water, credit, subsidy etc. As most of them are not recognized as farmers for want of ownership of land, they are not considered as beneficiaries of various government programmes / services. The wage differentials between men and women being adverse to them, the situation is further aggravated. Some of the tasks performed by the women are not valued adequately and considered less important economically.

Further, due to multiple roles that a woman has to perform within the family and the farm, her access to knowledge and information, is constrained and therefore her opportunities get limited. To improve the present status of women in Agriculture, and to enhance the opportunities for her empowerment, Government of India has announced “Mahila Kisan Sashaktikaran Pariyojana” (MKSP), as a sub component of the National Rural Livelihood Mission (NRLM) and decided to provide support to the tune of Rs. 100 crore during 2010-11 budget.

Objectives of MKSP

The primary objective of the MKSP is to empower women in agriculture by making systematic investments to enhance their participation and productivity, as also create and sustain agriculture based livelihoods of rural women. By establishing efficient local resource based agriculture, wherein women in agriculture gain more control over the production resources and manage the support systems, the project seeks to enable them to gain better access to the inputs and services provided by the government and other agencies. Once the production capacities of women in agriculture improve, food security ensues for their families and communities.

Specific objectives of MKSP are as under:

- To enhance the productive participation of women in agriculture;
- To create sustainable agricultural livelihood opportunities for women in agriculture;
- To improve the skills and capabilities of women in agriculture to support farm and non-farm-based activities;
- To ensure food and nutrition security at the household and the community level;

- To enable women to have better access to inputs and services of the government and other agencies;
 - To enhance the managerial capacities of women in agriculture for better management of bio-diversity;
 - To improve the capacities of women in agriculture to access the resources of other institutions and schemes within a convergence framework.
-

Expected Outcomes

- Net increase in the incomes of women in agriculture on a sustainable basis;
 - Improvement in food and nutritional security of women in agriculture and their families;
 - Increase in area under cultivation, cropping intensity and food production by women;
 - Increased levels of skills and performance by women in agriculture;
 - Increased access of women in agriculture to productive land, inputs, credit, technology and information;
 - Drudgery reduction for women in agriculture through use of gender friendly tools / technologies;
 - Increased access to market and market information for better marketing of their products;
 - Increased soil health and fertility to sustain agriculture based livelihoods;
 - Increased visibility of women in agriculture as an interest group –in terms of increased number of women institutions and increase in their entrepreneurship. An indicative list of expected outcomes and their corresponding indicators is attached as Annexure I
-

Approach

MKSP recognizes the centrality of women in agriculture and therefore aims to provide direct and indirect support to enable them to achieve sustainable agriculture production. It will initiate a learning cycle by which women are enabled to learn and adopt appropriate technologies and farming systems. MKSP will be implemented as a sub-component of NRLM through specially formulated projects. Under NRLM, provision has been made to invite project proposals for Skill Development and Placement. Further under NRLM, It has been proposed to explore various models of partnership with various skill development organizations in general and the private sector in particular for execution of Skill Development and Placement projects. Similar approach is proposed to be followed for MKSP projects under NRLM.

Strategy

- The Project Implementing Agency (PIA) under MKSP is expected to follow the below mentioned strategy:
Use of locally adopted, resource conserving, knowledgecentric, farmer-led and environment-friendly technologies;
- Coordinated action by communities and community based institutions such as the women self help groups, their federations, NGOs and farmer groups, farm schools, farmer field schools and others;

- Inculcating community mobilization skills among women in agriculture thereby demonstrating and articulating the benefits of the sustainable agricultural methods to them;
 - The MKSP will enhance the skill base of the women in Agriculture to enable them to pursue their livelihoods on a sustainable basis. Capacity building of women and skill upgradation through handholding, formal and vocational courses will be emphasized;
 - The MKSP will strategize in a manner to target the Poorest of the Poor and most vulnerable women such as SC/ST, minorities, landless and the Primitive Tribal Groups;
 - While identifying the target group, priority should be given to women-headed households (single women), resource poor households, and women groups engaged in Agriculture and allied activities (promotion, production, processing and marketing);
 - Participatory approaches and bottom up planning will constitute the core values of the MKSP.
-

3. Asmita: Empowering Women and Promoting Menstrual Hygiene in Rural Maharashtra

Link - <https://regasmita.mahaonline.gov.in/>

SHGs (Self Help Group)

SHGs are novel and innovative organizational setup in India for the women upliftment and welfare. All women in India are given chance to join any one of SHGs for training and development, so as to be prospective entrepreneur and skilled worker. The SHGs are promoted by the Government as if women in India may not be resourceful enough to be entrepreneurs. When the SHGs arrange training facilities to carry out certain kind of work which are suitable for women in India, bank must arrange financial assistance to carry out manufacturing and trading activities, arranging marketing facilities while the Governments will procure the product of SHGs, arrange for enhancing the capacity of women in terms of leadership quality and arranging for the management of SHGs by themselves so as to have administrative capacity. As a social movement with government

support. SHGs become more or less a part and parcel of the society.

Register Today !!!

All local SGHs (Self Help Group) can register for the Asmita Yojana scheme. You can register with below simple steps

- Click on below Register Button
- You will see Register form. Fill the Aadhaar number & click on Send OTP Button
- You will receive an OTP on your registered mobile number
- Enter that OTP and click on verify OTP button
- Finally click on Register button to register

4. Lakhpati Didi

Link - <https://lakhpatididi.gov.in/>

The Lakhpati Didi Initiative, launched in 2023 under DAY-NRLM, aims to enable women in SHGs to earn over ₹1 lakh annually.

The government achieved 3 crore Lakhpati Didis ahead of schedule and now targets 6 crore by March 2029, with financial support through various funds like RF and CIF.

Future plans include strengthening financial access via BC Sakhis, improving institutional support, leveraging technology like AI for SHG operations, and focusing on backward/LWE-affected districts.

- **Objective:** Enable women associated with SHGs to earn a sustainable annual household income above ₹1 lakh.

- **Ministry:** Ministry of Rural Development
- **Launched:** in 2023 under the **Deendayal Antyodaya Yojana – National Rural Livelihoods Mission (DAY-NRLM)**.
- A Lakhpati Didi is a **woman member** of a **SHG** who **earns more than ₹1,00,000** annual household income.

- The income should be **sustainable** with an average monthly income **of at least ₹10,000, maintained for four agricultural seasons or business cycles**.

- **Criteria for identifying lakhpati didi**

- A SHG member who has completed a minimum of two years and has availed of the Community Investment Fund (CIF).
- A beneficiary of livelihood intervention through the mission and practising at least two livelihood activities.

Financial Assistance under the Lakhpati Didi Initiative

Fund/Programme	Purpose
Revolving Fund (RF)	• Catalyse internal lending, meet immediate credit needs • Amount/Support: Rs. 20,000 to Rs. 30,000 per eligible SHG
Community Investment Fund (CIF)	• Strengthen creditworthiness, improve financial management • Amount/Support: Up to ₹2.5 lakh per SHG
Capitalization Support	• Collateral-free loans, interest subvention, overdraft facility • Amount/Support: Up to ₹20 lakh per SHG ◦ Interest subvention on loans up to ₹3 lakh at 7% overdraft facility for SHG members with Jan-Dhan account
Women Enterprise Acceleration Fund	• Credit guarantee, collateral support, incentives • Amount/Support: Up to ₹5 lakh (individual), up to ₹2 crore (incentives)
Community Enterprise Fund (CEF)	• Support individual/group enterprises • Programmes: SVEP, OSF, clusters, incubators
Viability Gap Fund (VGF)	Cover operational expenses until sustainability
Bank Linkage	Connect SHG members with banking system
Start-Up Village Entrepreneurship Programme (SVEP)	Promote rural enterprises of SHG women, training, financial support
One Stop Facility (OSF)	Block-level incubation centres, business development services
Micro Enterprise Development (MED)	Support non-farm enterprises, training, handholding, financial support
Incubation and Cluster Promotion	Support women-led enterprises, enhance productivity, market linkage

Details

The scheme “Lakhpati Didi Yojana” is implemented by the Department of Rural Development, Government of Uttarakhand. The scheme was launched by the Honorable Prime Minister of India with the primary objective of improving the economic status of women and enabling them to become Lakhpatis. Under this initiative, the Honorable Chief Minister of Uttarakhand has committed to enabling 1.5 lakh women members to achieve the status of Lakhpati Didis by 2025. As part of the scheme, the Uttarakhand State Rural Livelihood Mission has already recognized 40,270 women associated with self-help groups as Lakhpati Didis in 2022-23 and 52,729 women in 2023-24.

Benefits

Under this scheme, to brand and market the products manufactured by self-help groups, the Uttarakhand State Rural Livelihood Mission has established 17 Saras Centers, 2 state-level Uttara outlets, 24 Growth Centers, and 7 Millet Bakeries. Additionally, the groups’ products are sold at various Saras Melas, helping to increase their income and improve their livelihoods.

Eligibility

1. The beneficiary must be a resident of Uttarakhand.
2. The beneficiary must be a woman associated with a self-help group.
3. Women beneficiaries from hilly and plain areas, aged between 18 and 65 years, are eligible to avail the benefits of this scheme.

Application Process

Offline

Women associated with self-help groups under the National Rural Livelihood Mission (NRLM), who are engaged in various income-generating activities, are selected at the block level. Members of women’s groups whose annual income is less than ₹1 lakh are eligible for selection at the development block level.

For information regarding the Lakhpatti Didi Yojana, assistance can be obtained from the District Mission Manager or District Thematic Expert at the district level, and the Block Development Officer or Block Mission Manager at the development block level.

Documents Required

Documents are required as per the guidelines of the Uttarakhand State Rural Livelihood Mission for availing the benefits under the scheme.
